### **Sweeper**

Peruvian Park Elementary School  
*September 2020 to Present*

Cleans and maintains a number of classrooms using chemicals and other cleaning devices. Usually works alone but sometimes requires group work.

## CONTACTS

### **Nick Willie**

Peruvian Park Elementary School Custodian  
+1 (269) 365-1310

---

## EDUCATIONAL BACKGROUND

### **Hillcrest High School**

Midvale, Utah  
Taken Honors and AP classes  
*2019-Present*

## CLASSES TAKEN

- Small Vehicle Tech
- AP Calculus
- IB US History
- AP Government
- AP Human Geography
- Honors for core classes
- CTEC Diesel Program (Taking Senior Year)

## SUMMARY/GOALS

When I was younger, I enjoyed taking things apart in order to learn how they worked. I was also super interested in learning how to code from a young age. Even though coding is still a fun activity for me, I've switched goals ever since I took the Small Vehicle Tech class at Hillcrest. I found learning how vehicles work and taking apart engines very fun and rewarding.

---

## SKILLS & PROFICIENCIES

- Able to work under pressure
  - Able to disassemble and reassemble a small engine
  - Able to partially program in Javascript and Python
  - Fluent in English and learning German
- 

## VOLUNTEER WORK

### **Cook/Server**

Homeless Youth Center of America  
*2018 to Present*  
Makes and serves food for homeless youth living in Salt Lake City.
